CHRISTIAN TALLGREN

IT PROFESSIONAL

PROFILE

An experienced professional with a strong managerial background and extensive expertise in various areas, including IT, project management, account management, outsourcing, operational services, sales, procurement, and web development. Skilled in designing, developing, and implementing websites and web applications, I understand the importance of user experience and responsive design. I have successfully demonstrated my ability to handle small and large-scale projects and delivering results. Additionally, I possess the capacity to make contributions to overall business development efforts, particularly in digital spaces.
